The goal of this panel is to examine the following questions with the audience:

- What do you as adopters want from us as authors?
- Is there a need to rethink the length of modern textbooks?
- Is there a consensus among adopters?

We are a panel of textbook authors from three corners of the universe (actually three continents): South Africa, the United States of America, Sweden, and England. We each have questions for you, our adopters (customers) from all points of th ...
